- Students are grouped by availability, age, and learning level. While not always possible, every effort has been made to schedule group lessons at the most convenient times.
- Group lessons are 1 hour in length and held during the **first full weeks of October, November, December, April, May and June.**
- Group students have no private lessons during group weeks.
- Students are to bring their piano bags to group lessons.
- Group lessons start with students playing a "piece in progress" (not memorized or perfected). Students may choose a piece from recent assignment pages. The group offers positive encouragement to each other after every performance. We also play music games and a variety of music apps including Piano Maestro. Group lessons have a positive, relaxed atmosphere. Proper classroom behavior is expected.
- A group lesson fee of \$10 will appear on October invoices to help defray the cost of the Piano Maestro reoccurring monthly subscription. Group lesson tuition is the same as a 30-minute private lesson.
- Achievement in Music Exam students may attend group lessons in October and November if they are prepared for the exam. No makeup group lessons are available.

Thank you for enrolling and I look forward to this year's group lessons!
